

Neuron diagram (labelled)

Label it yourself

Name _____ Date _____

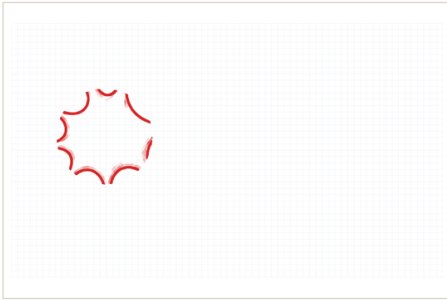

WORD BANK (9 PARTS)

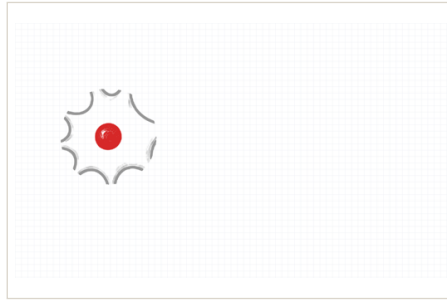

Axon · Axon hillock · Cell body · Dendrites · Myelin sheath · Nerve endings · Node of Ranvier · Nucleus · Synaptic knob

How to draw it in 14 steps

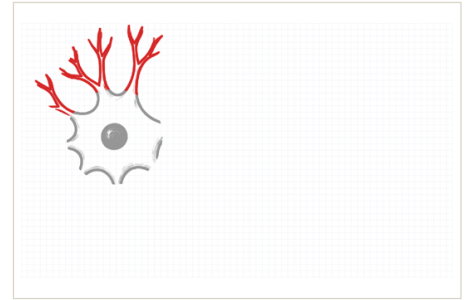

In every picture red is what to draw in that step; grey is what you have already drawn.

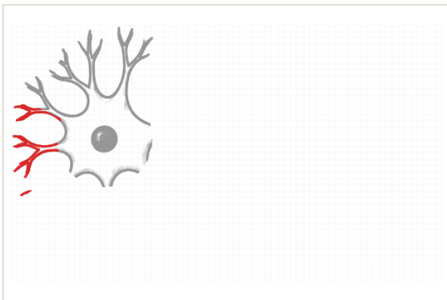

1. Cell body

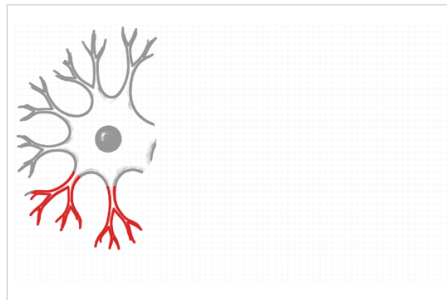

2. Nucleus

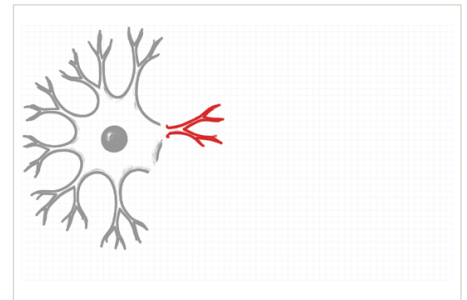

3. Dendrites: top

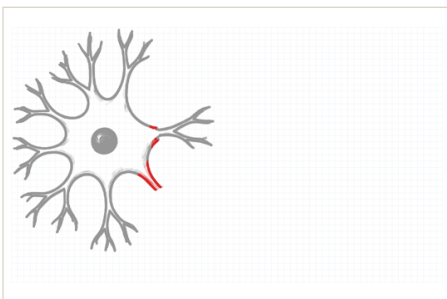

4. Dendrites: left

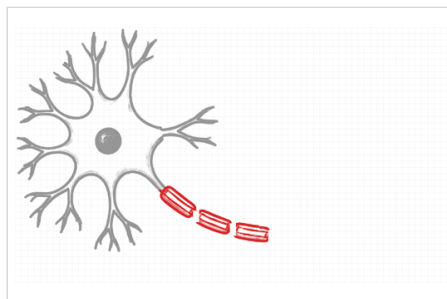

5. Dendrites: bottom

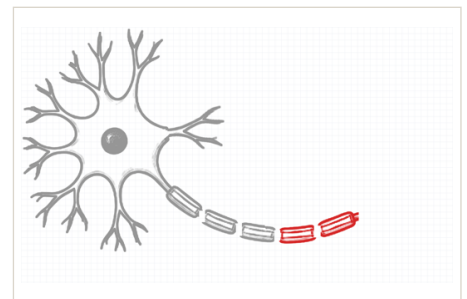

6. Dendrites: right

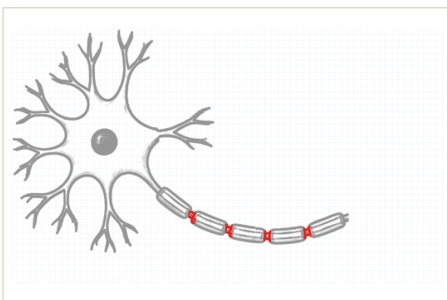

7. Axon hillock

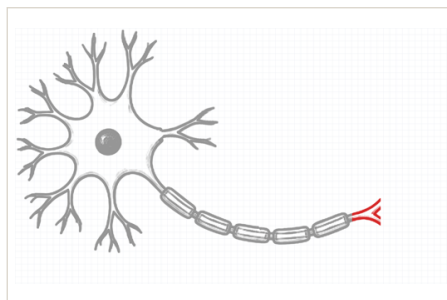

8. Myelin sheath: first part

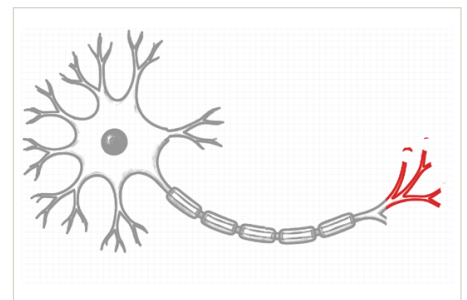

9. Myelin sheath: second part

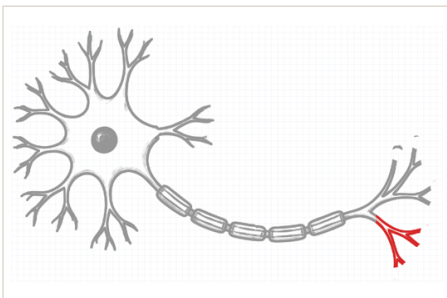

10. Nodes of Ranvier

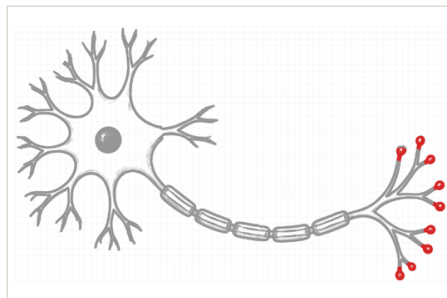

11. End of the axon

12. Nerve endings: upper

13. Nerve endings: lower

14. Synaptic knobs
